

Invitation / Directives

05 + 06 December 2026

Baunatal, Germany

For the first time, we, the acrobatic gymnasts of KSV Baunatal, warmly invite you all to take part in our KÖNIG ACRO CUP. As the name suggests, this competition is dedicated to Karin König, the founder of our club - an extraordinary person whose warmth, humanity and tireless commitment continue to shape our department to this day. With her passion for the sport, her open heart and her wish to give children and people a second home, she has supported and inspired generations. In her spirit, we would like this competition to keep her memory alive and carry forward the values she stood for: community, fairness, passion and solidarity.
